Meet you downstairs in the bar and hurt
Your rolled up sleeves in your skull t-shirt
You say what did you do with him today?

Hand me your stella and fly
By the time I'm out the door
You tear men down like Roger Moore

He's in a place, but I can't get joy
Thinking on you in the final throes
This is when my buzzer goes
Run out to meet you, chips and pitta

You say when we married
'cause you're not bitter
"There'll be none of him no more
I cried for you on the kitchen floor

We're like how we were again

My stomach drops and my guts churn
You shrug and it's the worst
Who truly stuck the knife in first

Can't stop, addicted to the shindig
Chop Top, he says I'm gonna win big
Choose not a life of imitation
Distant cousin to the reservation

~~Defunkt the pistol that you pay for~~
~~This punk, the feeling that you stay for~~
~~In time, I want to be your best friend~~
~~East Side love is living on the West End~~

Knocked out, but boy, you better come to
Don't die, you know, the truth is some do
Go write your message on the pavement
Burn so bright, I wonder what the wave meant

White heat is screaming in the jungle
Complete the motion if you stumble
Go ask the dust for any answers
Come back strong with 50 belly dancers

So smart, she's leading me to ozone
Music the great communicator
Use two sticks to make it in the nature

The gender of a generation
The birth of every other nation
Worth your weight, the gold of meditation

This chapter's going to be a close one
Smoke rings, I know you're going to blow one
All on a spaceship, persevering
Use my hands for everything but steering

Can't stop the spirits when they need you
Mop tops are happy when they feed you
J. Butterfly is in the treetop

Birds that blow the meaning into bebop
