Oh-yeah

Oh-yeah

So scared of breaking it that you won't let it bend
And I wrote two hundred letters I will never send
Sometimes these cuts are so much deeper then they seem
You'd rather cover up, I'd rather let them bleed
So let me be and I'll set you free
(Oh-yeah)
I am in misery
There ain't nobody who can comfort me, oh-yeah
Why won't you answer me?
The silence is slowly killing me, oh-yeah
Girl, you really got me bad
You really got me bad
Now I'm gonna get you back
I'm gonna get you back
Your salty skin and how it mixes in with mine
The way it feels to be completely intertwined
Not that I didn't care, It's that I didn't know
It's not what I didn't feel, It's what I didn't show
So let me be and I'll set you free
I am in misery
There ain't nobody who can comfort me, oh-yeah
Why won't you answer me?
The silence is slowly killing me, oh-yeah
Girl, you really got me bad
You really got me bad
Now I'm gonna get you back
Now I'm gonna get you back, yeah
You say your faith is shaken and you may be mistaken

You keep me wide awake and waiting for the sun
I'm desperate and confused, so far away from you
And I'm getting near, I don't care where I have to run
Why do you do what you do to me? Yeah
Why won't you answer me, answer me? Yeah
Why do you do what you do to me? Yeah
Why won't you answer me, answer me? Yeah
I am in misery
There ain't nobody who can comfort me, oh-yeah
Why won't you answer me?
The silence is slowly killing me, oh-yeah
Girl, you really got me bad
You really got me bad
Now I'm gonna get you back
Now I'm gonna get you back, come on
Girl, you really got me bad
You really got me bad
Now I'm gonna get you back
I'm gonna get you back
Girl, you really got me bad
You really got me bad
Now I'm gonna get you back
I'm gonna get you back
Girl, you really got me bad
You really got me bad
Now I'm gonna get you back
I'm gonna get you back
